

Dear Brunson-Lee Families,

At Brunson-Lee we believe and follow the school vision,

***"We are committed to the learning, safety and well-being of others. We aim to meet or exceed the expectations before us. We are Brunson-Lee proud!"***

Schoolwide we focus on three expectations

1. Work at Learning
2. Make Safe choices
3. Show Care for the Well-being of others

To support our students be successful in these areas we have collaborated to developed a Schoolwide Positive behavior support system. It is an approach to creating a safe and productive learning environment where teachers can teach and all students can learn. Part of this process included developing and teaching specific behavioral expectations to our students. These behaviors will be positively reinforced throughout the school for the remainder of this school year.

You will see the expectations posted throughout the school. Additionally, your child will be learning them during his or her first days at school. Included in this letter is a matrix of the expectation in each school location, daily accountability and celebrations.
