Orangedale Junior High ParentVUE Activation Key

Dear Misses Mouse,

Welcome to ParentVUE.

We are excited to invite you to use our ParentVUE portal. We hope this web portal will help you to support your child's education.

Use the information provided below to login to your account for the first time. Please let the school office know if you need further assistance.

Activation First Name: **Misses**

Activation Last Name: **Mouse**

Activation Key: **ZB6P87Z**

Web Address: <http://parents.balsz.org>

You will receive a letter that looks similar to this from your school. The letter will contain your name as it appears in our database and an activation key to set up your account on our ParentVue portal.

Information from the letter

Activation First Name: **Misses**

Activation Last Name: **Mouse**

Activation Key: **ZB6P87Z**

Web Address: <http://parents.balsz.org>

For this step you will need to enter *your first and last name **exactly** as they appear on the letter*. Then enter the *activation key*. Then click 'Continue to Step 3.'

Step 2 of 3: Sign In with Activation Key

Please enter your first name, last name and the 7 character authentication key (provided to you by the district), to activate your ParentVUE account:

First Name

Last Name

Activation Key

[Continue to Step 3](#)

For this step, you create your **own** *user name* and *password*. It can be anything that is easy for you to remember, but difficult for others to guess. You also need to enter an email address. This email address will be used if you later forget your user ID or password.

Step 3 of 3: Choose user name and password

Welcome **Misses Mouse**. To complete your account activation you will need to create your username and password. Remember that passwords are case sensitive. Your password can consist of numbers and letters and must be a minimum of 6 characters in length.

User Name	<input type="text" value="mouse"/>
Password	<input type="password" value="••••••"/>
Confirm Password	<input type="password" value="••••••"/>
Primary E-Mail	<input type="text" value="mouse@gmail.com"/>
